The purpose of the project: To carry out inspections and make decisions within the framework of the Latvian Rural Development Program (RDP) for 2014-2020 in order to ensure efficient and high-quality administration of program measures.

Achievable result: Ensured administration of RDP events for 2014-2020 in accordance with the conditions set by EU legislation and national regulations.

The Rural Support Service implements a variety of control activities within the project, incl. securing the work of specialists, capital investments, purchase of work clothes and inventory, etc.

Total funding for the implementation of control activities for 2018-2020: 712 401 EUR without VAT

Duration of project implementation: 36 months, period from 01.2018. - 12.2020.
